

Drowning in Credit Card Debt?

Are the creditors hounding you for payments?
Are you stressing over your financial future?
Is your credit score plummeting...

“Help America get out of Debt” A Non-Profit Community Service

If you are currently working and owe more than \$2,000 in credit card debt and you are 30 days or more behind on your monthly payments, CreditGuard of America can help!

- We can usually cut your monthly payments by up to half.
- Stop Creditors from calling you.
- Save you thousands on interest.

Don't wait another minute, financial relief is only a phone call away. CreditGuard of America is a non-profit organization specializing in debt relief for consumers just like you! Call us for a free confidential consultation.

We have been helping people for over 20 years!

(non-profit, licensed, bonded and insured in 50 states)
